PUBLIC TRANSPORTATION

- ❑ There are essentially several choices of taxis in Dubai: Dubai Taxi Corporation- Official Taxis, UBER and Careem.
- ❑ The Dubai Metro is a safe and reliable transportation system.

DWTC Evacuation

- ❑ In case of evacuation, please follow immediately the instruction given by the chairmanship of Conference and/or the local safety authorities public announcement and evacuate to the nearest Assembly Point.

(Assembly Point map)

YOUR PERSONAL SECURITY:

Dubai is a very safe city, however,

- ❑ It is recommended to avoid displaying of wealth, dress discreetly and appropriately to the environment. Do not display money, jewellery, phones, handbags, etc. It is recommended to secure them in your room or hotel safe box.
- ❑ Economic crimes could happen in the UAE such as luring unsuspecting victims over the phone, have them share sensitive details, and dupe them for their money. Please maintain an active awareness against this kind of attempts.
- ❑ As the local police take swift action when it comes to the safety and security of UAE citizens and residents, please report any issues as soon as possible through the above phone numbers.
- ❑ Although UAE is a relatively safe environment, it is advised that women not travel alone during hours of darkness.
